

## Benefits of Pacific LightNet Collocation:

- ◆ **Security**  
Your network is a valuable part of your business. To safeguard your investment and your equipment, Pacific LightNet offers a temperature-controlled, power-protected, dedicated environment secured by key card access. Your cabinet is accessible only by you, 24/7/365.
- ◆ **Cost Savings**  
By collocating in Pacific LightNet's facilities, you save the thousands of dollars on overhead and capital expenditures that are associated with building out your own space.
- ◆ **Access**  
Pacific LightNet is sensitive to the ever-changing needs of business, which is why every collocation customer has access to the full suite of Pacific LightNet's products and services; services that evolve as business needs evolve.

## Pacific LightNet Collocation is an Ideal Solution if you:

- ◆ Want to expand your business to or within the Hawaii market without the time and expense of opening a local office
- ◆ Want direct access to state-of-the-art voice and data business solutions to compete in an ever-changing market
- ◆ Need a secure environment in which to locate your telecommunications equipment

## About Pacific LightNet Collocation Services

Pacific LightNet Collocation Services is a cost-effective way to establish a network point of presence within the State of Hawaii. The service offers a direct connection to Pacific LightNet's all-island fiber-optic network and is a part of our Network Operations Center (NOC) on the island of Oahu. Technician staffed 24/7/365, the NOC facility offers state-of-the-art service redundancy, a choice of individual cabinets or suites, on-site remote hands technical support, and is built according to uniform environmental and security standards.

## Who We Are

For more than a decade, Pacific LightNet's all-island fiber-optic network has provided local businesses with telecommunications connectivity throughout Hawaii and the world. With more than 100 people working together statewide, Pacific LightNet's full range of services offer the simplicity, the power, and the economy of integration to move Hawaii businesses forward at the speed of light.
